

## **COMMONWEALTH FIGURE SKATING CLUB MEMBERSHIP** **2010-2011**

Since 1938, the Commonwealth Figure Skating Club (CFSC) has provided figure skaters of all levels with the opportunity to experience the camaraderie, personal development and confidence building that the sport of figure skating offers. To that end, CFSC offers various membership levels to serve the various needs of our skating community. Please review the following membership opportunities and contact any member of the Board of Governors via email at [board@commonwealthfsc.com](mailto:board@commonwealthfsc.com) with questions about membership levels and related costs and privileges.

CFSC is a member club of the US Figure Skating Association (USFS) and follows the rules and guidelines set forth by USFS. The Club is a completely volunteer-driven organization built to provide support to skaters and professional coaches. CFSC is designated as a section 501(c) (3) Massachusetts nonprofit corporation. All membership fees are directed toward club member activities. Total membership fees include CFSC and USFS registration fees where applicable.

Commonwealth Figure Skating Club membership applications may be submitted if all previous membership fees and ice contracts are paid in full. Requests for new membership in the club, as well as the renewal of a club membership, will be accepted only after review and approval by the Board of Governors.

The undersigned understands that they are making a commitment to purchase a membership from Commonwealth Figure Skating Club Inc. for the period July 1, 2010 – June 30, 2011 and are responsible for all payments related to this membership. It is also agreed that a check remitted for payment to Commonwealth Figure Skating Club Inc. that is returned from the bank for any reason will carry a \$25.00 service charge. A bank check, money order or cash will only be accepted thereafter.

Any member under 18 years of age is required to have a senior member sponsor (minimum 21 years old) assigned to the membership, regardless of membership level. Also, an adult must accompany children under the age of 12 for the entire time the child is at the skating rink. The 2010-2011 membership season runs from July 1, 2010 through June 30, 2011.

## MEMBERSHIP LEVEL SUMMARY

### **Full/Family**

USFS home club membership for the skater who plans to develop his/her figure skating skills beyond the USFS Learn to Skate curriculum. Full/Family membership applies to all skaters in an immediate family, residing at the same address who are under the age of 21. Skaters in this membership class are required to contract a minimum of one freestyle session per week, per skater or purchase the equivalent in coupon books. This membership category will accrue seniority for each skater and entitles all members to full club privileges. Voting rights are limited to the senior member on the membership, with one vote per family.

### **Full/Single**

USFS home club membership for the skater who plans to develop his/her figure skating skills beyond the USFS Learn to Skate curriculum and is above age 18. Skaters in this membership class are required to contract a minimum of one freestyle session per week or purchase the equivalent in coupon books. This membership category will accrue seniority and is entitled to full club privileges, including voting rights.

### **Collegiate**

USFS home club membership designed in accordance with USFS guidelines to accommodate the needs of degree-earning individuals who are trying to balance the pursuit of figure skating with academic achievements. Membership is available to anyone currently enrolled in a degree-earning program. A Collegiate member retains full club privileges. If over 21 years, the member is considered the senior member and has the right to vote, hold office and enjoy privileges of the club. Should they be under the age of 18 years, a senior member sponsorship is required.

### **Loop League**

Introductory home club junior membership that is designed to help the skater who is transitioning from a USFS Learn to Skate program into a more ambitious figure skating development track. The Loop League junior membership is a single year opportunity, as the membership includes significant discounts on ice sessions and other standard membership costs as a goodwill gesture to support skaters who are tentative about full membership commitment. The Loop League fee structure includes one ice session per week and many other CFSC club privileges, including pick-up ice sessions at member rates and participation in club exhibitions and shows. Loop leaguers are not eligible for USFS testing beyond the Basic Skills Test Track.

### **Alumni**

Alumni membership requires a previous two year membership with the CFSC and is designed for the skater who wishes to continue to pursue their interest in figure skating and/or support the Commonwealth Figure Skating Club. Alumni members do not accrue seniority, shall not vote or hold office. Alumni members are entitled to pick-up ice, CFSC test sessions and social events at member rates.

### **Associate**

Membership for the skater who holds a primary membership with another USFS Club, but also wishes to belong to CFSC. This membership does not accrue seniority, but does entitle the skater to member rates for practice ice sessions and CFSC test sessions and competitions. Associate members may contract up to two hours per week maximum on a first come first serve basis after home club members have submitted ice contracts.

### **Social**

This membership is for the non-skating member who wishes to support Commonwealth Figure Skating Club. Social members are welcome to participate in social events, but do not accrue seniority, may not vote, hold office or have any other privileges of the club.

### **Affiliate**

Any visiting Canadian Figure Skating Association (CFSA) or International Skating Union (ISU) club skater may utilize the facilities of the CFSC upon approval of the Board of Governors or its designate. The visiting skater may be charged a reasonable fee for such use. Affiliate members will pay a non-member pick up rate for walk-on privileges. Walk-on privileges may be restricted at the discretion of the Board.

Please note CFSC may offer additional membership levels, at the discretion of the Board of Governors, as need warrants, (e.g., affiliate, synchronized team, military, honorary, etc.). If you have interest in other membership levels, please contact the CFSC Board of Governors at [board@commonwealthfsc.com](mailto:board@commonwealthfsc.com)

## PRELIMINARY ICE CONTRACT 2010-2011

*Ice schedule to be finalized pending member contracts and confirmation from Randolph Recreation*

Commonwealth Figure Skating Club is required by the Randolph Recreation Department to purchase ice time for the 2010-2011 season prior to June 30, 2010. In an effort to accurately assess the ice time the Club will be in a position to accommodate, it is necessary to have a meaningful account of member skating plans. To that end, you are asked to indicate your preferred ice time for contracted ice sessions below. With this information, CFSC will purchase ice for the season to accommodate the hours the club can reasonably support. The Board anticipates that the club will be in a position to maintain the 2009-2010 season ice session member fee structure (\$12 Moves and \$17 Freestyle), however final pricing will be set upon confirmation of Randolph Recreation pricing.

Specific ice sessions (Moves, Freestyle) will be defined after the June 30 ice purchase is finalized with the Randolph Recreation Department and the final ice session schedule is confirmed. CFSC will accommodate any changes to the individual's stated preferences that are necessary due to modifications made to the tentative schedule outlined below. Ice contract fees will be billed in three installments (September, November and February).

The tentative ice schedule below is expected to include both Freestyle and Moves sessions. Additional ice time has been tentatively reserved for Basic Skills programs (with volunteer opportunities available for both Basic Skills program tracks):

- Learn to Skate program – Saturday 10-11 am
- Theatre on Ice Basics + program – Thursday 4-5 pm
